Daily Phonics - Recep ee

1. Recap the Phase 2 and Phase 3 sounds (your child will not know all the Phase 3 sounds).
2. Recap the Phase 2 and 3 Tricky Words (your child will not know all the Phase 3 TWs).
3. Recap sound: ee
4. Can your child remember any of the words from yesterday with the ee sound in them? If so what were they?
5. Complete the activity on the next slide.

Phonics Activity

Listen to the songs to help your child remember and spell the tricky words. If they want a challenge they could try and write down some of the words they heard in the song.

Maths - Number bonds to 10

We are still going to be focusing on numbers bonds to 10 but now use a different mathematical model to apply our learning. We are going to use a part-part whole model. The robots are a starting point for the part-part whole model. Can your child fill in the missing number?

E.g.

PE lesson

For PE we usually follow the Real PE scheme.

Guide to use the website:

- 1) Login
- 2) Click on the dashboard
- 3) Select Real PE
- 4) Select foundation
- 5) Select unit 2
- 6) Select lesson 2
- 7) Click through the warm up, skill and skill application (there are videos and/or step by step instructions)

They have provided us with a parent login:

Daily Reading

There is still an expectation for daily reading to take place at home. Please continue to note this in the school/home contact book.

Once your child returns to school they will receive a prize and certificate if they if have read daily during their isolation period.

Please use this link to view online ‘banded books’:

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Select the ‘levels’ drop down - then ‘book band’ then choose your child's band. Please feel free in this time to explore the book band above your child's current band to challenge them.

Alternatively, please continue to read books ‘for pleasure’.

Optional Thrive Activity

Celebrate your child for who they are!

Children love having parents who are playful, fun, interested and curious about them. Children enjoy feeling important and special and really benefit from having some individual time with parents.

Here are some creative activities that you can use with your child to support their emotional development at home. Play releases lots of feel good chemicals that help us feel calm, steady and connected. If possible, look to do these activities for as much as 20 minutes or more each day.

Saturday	Use a finger to draw a flower on your child's hand; extend this to a guessing game with older children by drawing a shape, number, pattern or creature.
Sunday	Dance together: perhaps teach your child a dance you did when you were younger. Be willing to learn one from them.
Monday	Make a den with cushions, blankets, bed sheets, clothes pegs, pillows – anything soft!
Tuesday	Do loud singing then quiet singing, or very active movement then slow movement eg. find your favourite song and create a dance for it.
Wednesday	Use face paints together eg. favourite animals. After painting, wash each other's hands or wipe the fingers free of substance. Or draw each other's faces – you could even do it with your eyes closed!
Thursday	Set-up a treasure hunt: take it in turns to hide things for each other. Or play hide and seek!
Friday	Try some gentle yoga moves. Or explore family.gonoodle.com/activities/around-the-town or family.gonoodle.com/activities/melting
