

Reception - Home Learning

Tuesday 28th April

Optional Daily Discovery - Life Skills

Learning intention: To start to understand the impact of unkind words.

Watch the video: <https://www.youtube.com/watch?v=hhH9NCtaZt8>

Questions:

How Stevie was feeling?

What did Topsy and Tim do?

What is a bully?

Weekly Writing Task

To be completed this week Please upload a photo of your child's work if possible.

Task: To write a note to the teacher heroes working hard at Whyteleafe school.

Steps to success:

- I can draw a teacher or a rainbow.
- I can hear the initial, middle and end sounds in words to describe the hero.
- I can form my letters correctly.
- I can write a word or sentence about our teacher heroes still working at school.

Daily Phonics - New sound 'oo' (short sound)

- 1) Recap the Phase 2 and Phase 3 sounds (your child will not know all the Phase 3 sounds).
- 1) Recap the Phase 2 and 3 Tricky Words (your child will not know all the Phase 3 TWs).
- 1) Learn new sound 'oo' (short sound) (video: <https://www.youtube.com/watch?v=-3UUnmNk1UM>)
- 1) Play 'I say you say' (I say 'oo' you say 'oo') and say it to the... (say it to the window.. 'oo' say it to the floor... 'oo' say it to your sister...)
- 1) Discuss the letters in 'oo', talk about it being a digraph (two letters that make one sound).
- 1) Play the game on the next slide.

Phonics Game

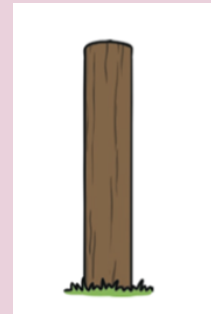

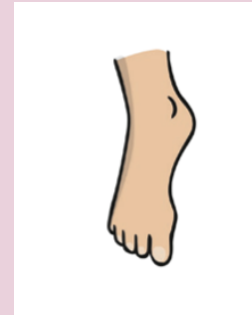

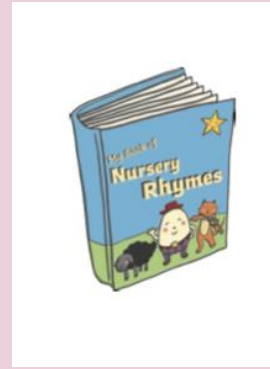

Guess the picture:

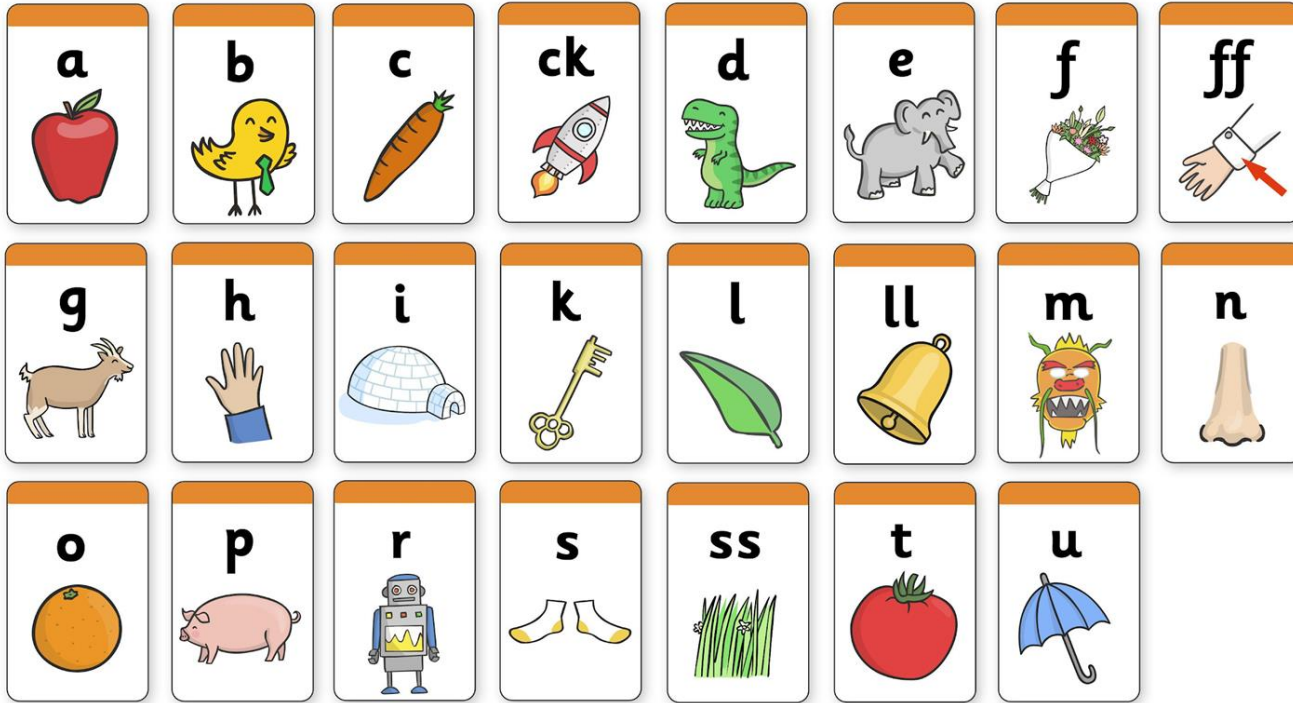

Can your child work out what the picture is of?

Can they hear the new sound in the word? Where does it come in the word (middle or end)?

Can your child think of anymore words with the 'oo' sound in?

Challenge: Can they put one of the 'oo' words into a verbal or written sentence?

Maths - Subtraction using a tens frame

Just like addition, we will be using a tens frame to support your child to complete some subtraction challenges. If you cannot print off a tens frame please draw one for your child to use. It is also useful to have physical objects to use on the tens frame so you could use coins, pasta, counters from a board game or sweets so they can see them physically taken away.

Using the tens frame to support your child, can you have a go at subtraction to 10.

Complete four different subtraction problems together and then get your child to have a go at doing one independently.

Challenge: can you record the subtraction problems you have completed as a number sentence?

Daily PE - #PEwithJoe

Joe Wicks will be doing daily, fun workouts for children to do at home at **9am** for 30 minutes.

Daily Reading

There is still an expectation for daily reading to take place at home. Please continue to note this in the school/home contact book.

Once your child returns to school they will receive a prize and certificate if they if have read daily during their isolation period.

Please use this link to view online ‘banded books’:

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Select the ‘levels’ drop down - then ‘book band’ then choose your child's band. Please feel free in this time to explore the book band above your child's current band to challenge them.

Alternatively, please continue to read books ‘for pleasure’.
