

Reception - Home Learning

Friday 3rd April

Word of the Week

Timid

On a Friday, we talk about the word of the week again and then we talk about what the word means.

Timid definition:

- shy or nervous
- lack of confidence
- a little frightened

Challenge: Can your child put the word timid into a sentence?

Daily Discovery - Life Skills

Once a week we have a life skills session. We thought this would be a nice activity to do at home with your whole family.

Talk to your child about how they feel in different situations and can they verbalise how those situations make them feel?

E.g How does not being at school at the moment make you feel?

I feel happy because _____

I feel sad because _____

I feel excited because _____

Maths - Number bonds to 10

Can your child have a go at completing 5 part-part whole models with number bonds to 10?

Your child can use some resources to help them (crayons, lego, beads etc.)

E.g.

Daily PE - #PEwithJoe

Joe Wicks will be doing daily, fun workouts for children to do at home at **9am** for 30 minutes.

He also has a number of kids workout videos on his Youtube Channel.

Daily Reading

There is still an expectation for daily reading to take place at home. Please continue to note this in the school/home contact book.

Once your child returns to school they will receive a prize and certificate if they if have read daily during their isolation period.

Please use this link to view online ‘banded books’:

Select the ‘levels’ drop down - then ‘book band’ then choose your child's band. Please feel free in this time to explore the book band above your child's current band to challenge them.

Alternatively, please continue to read books ‘for pleasure’.
