This week we are writing about The Book of Butterflies by Michael Leunig

Write a letter to Miss Hunt to tell her about your special book that came to life. How did it feel? What did it look like? What did you hear? Will you open the book again?

Maths -

1. Can you find something in your house that measures exactly 1 metre? How many metres long do you think your bedroom is? Check it to see how close you were. Now try another room, were you closer this time?

How many objects in your house can you find that are greater than 1 metre but smaller than 1 metre and 50cms?

Daily Reading

There is still an expectation for daily reading to take place at home. Please continue to note this in the school/home contact book.

If you have finished your books from home there are e-books available.

Reading

Everyday at 11am you can listen to David Walliams read one of his World's Worst Children stories.

They last about 20 minutes and they are available on the website for the week.

Computing

Here is the link to making a space game that will teach you how to control sprites around your screen. I would expect this project to last for 2 weeks. If you want to save it, you will need your own log in. Talk to your about creating a family account for your games.

Remember our E-safety rules and make sure there is someone with you.
