

Year 2 home learning support

Dear Year 2 parent/carers,

Please see the following guidelines for home virtual learning. Daily slides will be provided on the school website to support the structure of their day. We are trying to minimise printing, so the majority of work will be able to be completed on a computer/tablet/phone, will be linked to games/videos or be activities that you can complete around the home. There is no expectation that learning should always be recorded, however, your children will be coming home with a blank exercise book and pencil if they wish to do so.

Maths

- Please follow the daily slides/video and activity

If you would like any additional maths resources, please use:

- Numbots - logins are in the back of your home/school contact book (it is the same login for times table rockstars).
- Times table rock stars - logins are in the back of your home/school contact book.
