

Dear Parents/Carers,

We hope you are well.

We would love to see the creativity and hard work Year 2 have been doing. If you have any photos or work you are happy for us to share, please send them to Year2@whyteleafeschool.org. Each Friday, we will create a slideshow of these pictures and work to share with you all. Your pictures could be your learning from this week, creative tasks or something exciting you have done. If you are sending photos, we expect that anyone who is clearly identifiable to have given consent for the sharing of the photo and that you have full rights to use the photo and accept full responsibility.

We have created a login for a website called Maths with parents, please see the slides for more information. This will have videos and tasks to complete. At the end of the task, you can upload comments and pictures for us to see. The year group code is 577852.

We look forward to hearing from you. Take care and stay safe.

Miss Alphonso and Mr Reardon.
