

| Week 3 | English, Reading and SPaG | Spellings (Phonics Phase 6) | Maths | Other curriculum areas |
|---------|--|---|---|---|
| Monday | <p>Reading Daily reading.</p> <p>English This week we are writing about The Book of Butterflies by Michael Leunig https://www.literacyshed.com/butterflies.html Watch the video and write a re-cap about what has happened.</p> <p>SPaG Spot the capital letters.</p> | <p>Superlative adjectives Comparing 3 or more nouns (things) to the highest level.</p> <p>Rule: add est to the word general examples. quickest greatest fullest</p> | <p><u>Numbots & Times table Rockstars</u></p> <p>or</p> <p>Download a 100 square (here is an interactive one). https://www.topmarks.co.uk/learning-to-count/paint-the-squares Find a partner to play the game with you. Each player needs a different colour to mark their place on the board. Start on number 1 on the hundred square. Choose a number from the row of numbers starting with 21. Multiply the two digits together to get the number of moves you take. E.g. I might choose 23 so I calculate $2 \times 3 = 6$ so I move 6 places and land on 6. Take it in turns with your partner, choosing a number between 21 and 29 each time. The winner is the person who lands on 100 exactly. Repeat the game but choose numbers from the row beginning with 51. Who can get to 100 first?</p> | <p>PE REAL PLAY https://home.jasmineactive.com/login</p> <p>Parent email: parent@whyteleafe-1.com Password: whyteleafe</p> <p>Here are some 10 minute shake ups - Remember that we should be active for at least 60 minutes everyday! https://www.nhs.uk/10-minute-shake-up/shake-ups</p> |
| Tuesday | <p>Reading Daily reading.</p> <p>English This week we are writing about The Book of Butterflies by Michael Leunig</p> | <p>Superlative adjectives Comparing 3 or more nouns (things) to the highest level.</p> <p>Rule: add est to the word general examples.</p> | <p><u>Numbots & Times table Rockstars</u></p> <p>or</p> <p>Complete the first task on the link.</p> | <p>Geography Look at the map and fill in the missing coordinates.</p> |

|------------------|---|--|--|--|
| | <p>https://www.literacyshed.com/butterflies.html Explain why you think the book has made the butterflies come to life.</p> <p>SPaG Add in an exclamation mark.</p> | <p>1. Write these words into sentences.</p> | <p>https://www.mathswithparents.com/KWeb? Year 2 code: 577852</p> | |
| <p>Wednesday</p> | <p>Reading Daily reading.</p> <p>English This week we are writing about The Book of Butterflies by Michael Leunig https://www.literacyshed.com/butterflies.html Explain why you think the book has made the butterflies come to life.</p> <p>How many different ways can you think of to describe a butterflies movement</p> <p>SPaG Identify the correct word class</p> | <p>Superlative adjectives Comparing 3 or more nouns (things) to the highest level.</p> <p>Rule: add est to the word general examples.</p> <p>1. Identify the comparative adjectives and the superlative adjectives</p> | <p>Numbots & Times table Rockstars</p> <p>or</p> <p>1. Choose a question to ask your family and friends e.g. What is your favourite sport? How are you going to collect the information? Contact at least 10 people and then decide how you are going to record your results. You can make a table or a graph or both!</p> | <p>Science https://sciencebob.com/the-exploding-lunch-bag/ What you need: ~4 oz of milk ~4 oz of cream ~1/4 tsp of vanilla (or use other flavors usually found near the vanilla in a grocery store – you can use chocolate syrup for chocolate ice cream) ~4 tsp of sugar ~A few drops of food coloring (optional – if you want colorful ice cream) ~Lots of ice ~Lots (half cup) of salt. Rock salt (sold at hardware stores) works best. ~Small (quart size) zip-lock freezer bag ~Large (gallon size) zip-lock freezer bag</p> <p>Put the milk, cream, flavoring, coloring, and sugar into the SMALL zip-bag and zip it shut (be sure it is zipped up and closed completely) Put about a cup of ice into the large bag and the cover the ice with a small handful of salt. Put the small bag with your ingredients into the larger bag. Add some more ice and then some more salt. Keep adding salt and ice until the bag is</p> |

| | | | | |
|----------|---|--|---|--|
| | | | | <p>almost full. Zip it shut (be sure it is zipped) and then carefully hold opposite sides of the bag and shake the bag back and forth (like your steering a car) for about 5-8 minutes. Open the larger bag and take out the smaller bag – it should be full of ice cream! Rinse off the bag under running water to remove any salt that may be near the opening of the bag. Open and enjoy!</p> |
| Thursday | <p>Reading Daily reading.</p> <p>English This week we are writing about The Book of Butterflies by Michael Leunig https://www.literacyshed.com/butterflies.html Explain why you think the book has made the butterflies come to life.</p> <p>Write your own story about your book coming to life. What would come out of it?</p> <p>SPaG To add in correct punctuation</p> | <p>Superlative adjectives Comparing 3 or more nouns (things) to the highest level.</p> <p>Rule: add est to the word general examples.</p> <p>Write as many as you can in 30 seconds. Then practise some more before trying to beat your score.</p> | <p><u>Numbots & Times table Rockstars</u></p> <p>or</p> <p>Complete the task on the link.</p> <p>https://www.mathswithparents.com/KWeb?</p> <p>Year 2 code: 577852</p> | <p>Art Draw your own picture of a tin of food in the same style of this Andy Warhol picture of a can of soup.</p> <p>Try to use simple colours and bold lines.</p> |
| Friday | <p>Reading Daily reading.</p> <p>English This week we are writing about The Book of Butterflies by Michael Leunig https://www.literacyshed.com/butterflies.html Write a letter to Miss</p> | <p>Superlative adjectives Comparing 3 or more nouns (things) to the highest level.</p> <p>Rule: add est to the word</p> <p>Weekly spelling test</p> <p>Listen to the root word but spell it as a superlative adjective (with est).</p> | <p><u>Numbots & Times table Rockstars</u></p> <p>or</p> <p>Complete the first task on the link.</p> <p>https://www.mathswithparents.com/KWeb?</p> <p>Year 2 code: 577852</p> | <p>Computing Balloon Game Week 2 Here is the link to making a space game that will teach you how to control sprites around your screen. I would expect this project to last for 2 weeks. If you want to save it, you will need your own log in. Talk to your about creating a family account for your</p> |
