

Week 2 English L3 write a story (invent) using the plan

This was the plan I used yesterday:

<p>Beginning – introduce the main characters, the setting, use adjectives, use similes, use metaphors</p>	<ul style="list-style-type: none">● On a sunny Thursday afternoon● Joanna - 8 years old, smiles a lot, has long brown hair and wears glasses, lives with her annoying little brother● Michael – 8 year old, spiky blonde hair, as bright as the sun● Live with their own families
---	--

To write this:

It was a sunny Thursday afternoon in August, when Joanna was lounging on her bed looking out of her bedroom window. The sky was clear and as blue as a sapphire. There was a knock on her bedroom door, it was her mum.

“Quick Joanna, get up!” exclaimed her mum excitedly. “Michael’s mum just phoned and has asked if you’d like to go on a day trip somewhere?” Joanna sprang out of bed, put on her glasses and quickly began to brush her long brown hair.

“That’s a great idea Mum! But does **he** have to come too?”. Joanna glanced impatiently at her little brother who was chewing her favourite hair scrunchie like a teething ring.

REMEMBER TO INCLUDE:

Correct punctuation and full stops, checking your work makes sense (1 mark)

Inverted commas (speech marks) appropriately (2 marks)

Example of a metaphor, simile, and expanded noun phrase (3 marks)

Now, see if you can use your plan to continue your story. Don’t forget to include all the details you included in the plan, like you did for the setting.
