

Date: 11th May 2020

LO: to calculate the days in months and identify a leap year

How did you get on with these activities? Write the letters under the pictures, like you usually do in class- show your adults how you do this.

How I did:

Know:

Answers:

Can you put these months in order?

November
April
January
October
December
August
July
June
February
May
March
September

Say these out loud to a family member in the correct order.

Understand:

4 children describe their birthdays.

My birthday is the first day of the second month.

Mo

I was born on the 15th of June.

Teddy

I was born on the last day of the year!

Eva

I was born two days before Mo.

Dora

Can you work out their birthdays and order them from earliest to latest in the year?

Order from early to latest in the year.

Apply: Give it a go, but don't worry if it's too tricky

Whitney asks Rosie and Jack a question.

Some months have 31 days, some months have 30 days. How many months have 28 days?

Only February has 28 days.

Rosie

Every month has 28 days.

Jack
