

Topic LO: To read and make maps.

Watch the video: [maps](#)

Activity: Use the document to make a simple treasure hunt map (don't worry about putting it to scale or using a compass). Or you could make one on your own paper:

Here is my example. I've hidden 2 eggs and drawn a map to show where they are.

Key words

map locate mark sketch draw
treasure hunt find direction
plan 'birds eye view'
