Art and Design

Hello Year 4. This weeks art is all about spreading happiness and kindness whilst developing your drawing skills. You may have noticed lots of houses have rainbows in their front window to spread happiness for people who pass by on their daily exercise.

We have practised using different pencil strokes to create texture in our art lessons and today we would like you to use these skills to create a linear rainbow drawing which you can stick in your front window. There is an example attached to help you. We cannot wait to see them in your window, do send us a picture!
