## 14.5.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

# English

This week, we're going to continue to learn about the story of Romulus and Remus. Read back over pages 1-11 to remind yourself of the story.

Now is your chance to get really creative. On paper, can you design your own ideal city. What would you choose to put in it? Why would that be a good thing?

Challenge yourself to explain why you've put these things in your ideal city?
