

Home Learning- Year 4

20.4.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

English

Do you know what a time capsule is? Talk to your family about how you can create one together, based on your current situation.

This period will not last forever and in the future, people will look back at this time as a major even in our history. One day you may be telling your children all about this time!

This week, you are going to create a time capsule that you can look back on, in years to come.

Each day, you will be instructed to complete a different activity and on Friday we will tell you what to do with all your sheets. Please keep them safely together until then.

Today, we would like to complete 2 activities. The 'I Feel' activity on Page 2 and the 'My Family' activity on Page 3.

The attached booklet is not editable. You may like to print it out or re-create something similar on paper.

Spelling list

Year 3 and 4 Statutory Spellings

Please choose 2 new words every day and learn the correct spelling.

There will be a spelling test on Friday.

Put each of these words into a sentence and practise writing each sentence ten times. Take care with your letter formation and joins. Remember your punctuation. This activity should take you about 15

accident	caught	eighth	heard	minute	possible	strange
accidentally	centre	enough	heart	natural	potatoes	strength
actual	century	exercise	height	naughty	pressure	suppose
actually	certain	experience	history	notice	probably	surprise
address	circle	experiment	imagine	occasion	promise	therefore
answer	complete	extreme	increase	occasionally	purpose	though
appear	consider	famous	important	often	quarter	although
arrive	continue	favourite	interest	opposite	question	thought
believe	decide	February	island	ordinary	recent	through
bicycle	describe	forward	knowledge	particular	regular	various
breath	different	forwards	learn	peculiar	reign	weight
breathe	difficult	fruit	length	perhaps	remember	woman
build	disappear	grammar	library	popular	sentence	women
busy	early	group	material	position	separate	
business	earth	guard	medicine	possess	special	
calendar	eight	guide	mention	possession	straight	

Reading

Enjoy 20 minutes of reading, ideally to a grown up.
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

Diary

In addition to your Time Capsule task, we'd like you to complete a short daily diary. Writing a diary can be a really good way of thinking about your feelings and remembering the positive parts of your day. This will be so interesting to read back in the future so you can see how you spent your time. You can't edit the diary sheet we've attached so you'll either need to print it off or create your own version on paper.

Maths

Good morning Year 4!

1. Use <https://whiterosemaths.com/homelearning/year-4/> to look at Summer Term Week 1 Lesson 1- Make a whole. Watch the video and then complete the worksheet. I have attached an editable version for you to submit or you can do it on paper and submit a picture. Make sure you use the answers on the website to mark your work before you submit it. You can show me that you've edited an answer by putting it in green. This should take you 30-45 minutes.

2. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!

Science

Today we are starting our new topic on Animals including Humans. Our first lesson is going to be learning about teeth! Use the powerpoint to do some fact finding about the different types of teeth. Why not see if you can use a mirror to identify the teeth in your own mouth? Try biting into an apple to see the differences in your teeth.

Once you've explored the powerpoint and your own teeth, we'd like you to make a poster for a healthy teeth campaign! You're going to explain the importance of keeping your teeth healthy as well as some information about teeth. You could think about these questions to help you come up with some ideas:

What are the different types of teeth? What do they do?

What instructions would you write to explain to somebody how to brush their teeth?

Why is it important to brush your teeth?

What are healthy foods for your teeth, what are unhealthy foods?
