

Home Learning- Year 4

23.4.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

English

Today's activity is the final one in the booklet, called 'Interview page'.

We would like you to choose someone to interview and record their answers clearly. You may choose a family member or a friend and someone living in your house, or contact someone by phone/video call.

Reading

Enjoy 20 minutes of reading, ideally to a grown up.
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

Diary

In addition to your Time Capsule task, we'd like you to complete a short daily diary. Writing a diary can be a really good way of thinking about your feelings and remembering the positive parts of your day. This will be so interesting to read back in the future so you can see how you spent your time. You can't edit the diary sheet we've attached so you'll either need to print it off or create your own version on paper.

Maths

Good morning Year 4!

1. Use <https://whiterosemaths.com/homelearning/year-4/> to look at Summer Term Week 1 Lesson 3- Comparing decimals. Watch the video and then complete the worksheet. I have attached an editable version for you to submit or you can do it on paper and submit a picture. Make sure you use the answers on the website to mark your work before you submit it. You can show me that you've edited an answer by putting it in green. This should take you 30-45 minutes.

2. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!
