

# Home Learning- Year 4

## 24.4.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

# English

You have almost finished the contents of your time capsule- well done!

Your final task is to write a letter to yourself.

Think about what details you want to include. What would be important and exciting to write about? Think about things that have happened, how things have changed, how you are feeling etc.

# Spelling list

## Year 3 and 4 Statutory Spellings

Please write the eight words you have been learning this week (without peeking!) or ask an adult to test you. Send us your score. Please write the eight words you have been learning this week (without peeking!) or ask an adult to test you. Send us your score.

# Reading

---

Enjoy 20 minutes of reading, ideally to a grown up.  
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

# Diary

In addition to your Time Capsule task, we'd like you to complete a short daily diary. Writing a diary can be a really good way of thinking about your feelings and remembering the positive parts of your day. This will be so interesting to read back in the future so you can see how you spent your time. You can't edit the diary sheet we've attached so you'll either need to print it off or create your own version on paper.

# Time capsule

Now you have all your information ready to put into your time capsule- super work!

Put all your sheets into a labelled TIME CAPSULE box then make a note on the calendar to have a look back at it at the end of the year. You may like to put some photos in of a typical day in your home too.

Store the box somewhere safe and dry.

We have attached instructions of how to make an outdoor time capsule if you are keen to try that.

We would love to see a picture or video of you with your finished box!

# Maths

Good morning Year 4!

1. Use <https://whiterosemaths.com/homelearning/year-4/> to look at Summer Term Week 1 Lesson 4- Ordering decimals. Watch the video and then complete the worksheet. I have attached an editable version for you to submit or you can do it on paper and submit a picture. Make sure you use the answers on the website to mark your work before you submit it. You can show me that you've edited an answer by putting it in green. This should take you 30-45 minutes.

2. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!
