

# Home Learning- Year 4

## 3.4.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

# English

1. We'd like you to write the eight words you have been learning this week (without peeking!) or ask an adult to test you. Send us your score.
2. Poetry/Drama task. We would like you to learn a short poem from memory. It could be one verse from a longer poem if you prefer. Rehearse it and perform to an adult at home or even better, send us a video when you are ready. We would love to see actions if appropriate and fantastic expression and intonation as you perform.
3. Enjoy 20 minutes of reading. Can you tell us about your book that you're reading on the reading record sheet?

# Maths

Good morning Year 4!

1. Use <https://whiterosemaths.com/homelearning/year-4/> to look at Week 2 Lesson 5. Watch the video and then complete the worksheet. I have attached an editable version for you to submit or you can do it on paper and submit a picture. Make sure you use the answers on the website to mark your work before you submit it. You can show me that you've edited an answer by putting it in green. This should take you 30-45 minutes.
2. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!

# French

We are very lucky to be able to share your French work for this week from Miss Sinclair.

Answer 'Quel temps fait-il?' about today's weather using a French phrase.

See the attached powerpoint on Google Classroom- write a phrase on paper in French to describe the weather in each slide.
