

# Home Learning- Year 4

## 30.4.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

# English

Read through pages 1-6 again so you have a good idea of how to answer the questions.

Predict: What do you think will happen next in the story? What will happen to the babies? Why do you think this?

Imagine: Imagine you are the servant sent to put the babies in the river. What would you think and how would you feel?- Hot seat this with somebody at home, so one of you pretend to be the servant and the other person ask the questions.

Write down notes about what you found out.

# Maths

Good morning Year 4!

1. Use <https://whiterosemaths.com/homelearning/year-4/> to look at Summer Term Week 2 Lesson 4–Ordering money. Watch the video and then complete the worksheet. I have attached an editable version for you to submit or you can do it on paper and submit a picture. Make sure you use the answers on the website to mark your work before you submit it. You can show me that you've edited an answer by putting it in green. This should take you 30-45 minutes.
2. Tune into Gareth Metcalfe's reasoning videos for a daily brain challenge. This will be brilliant at supporting your reasoning and problem solving. <http://www.iseemaths.com/home-lessons/>
3. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!
