

Home Learning- Year 4

4.5.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

English

This week, we're going to continue to learn about the story of Romulus and Remus. Read back over pages 1-6 and now move onto pages 7-9. Have a look at the questions and see if you can answer them to really deepen your understanding of the story.

Once you've read that you're going to complete a character comprehension, fill in the table with the information you've learned from the text. See if you can challenge yourself to complete the extra challenge activity on the bottom of the sheet.

Spelling list

Can you choose 2 words from the Year 3 and 4 word mat and practice spelling them. You could write it out 10 times, make it using play dough or other items, write it in lots of different colours. Make sure you know what the word means, put it in a sentence! Show us your neatest handwriting.

Year 3 and 4 Statutory Spellings

accident	caught	eighth	heard	minute	possible	strange
accidentally	centre	enough	heart	natural	potatoes	strength
actual	century	exercise	height	naughty	pressure	suppose
actually	certain	experience	history	notice	probably	surprise
address	circle	experiment	imagine	occasion	promise	therefore
answer	complete	extreme	increase	occasionally	purpose	though
appear	consider	famous	important	often	quarter	although
arrive	continue	favourite	interest	opposite	question	thought
believe	decide	February	island	ordinary	recent	through
bicycle	describe	forward	knowledge	particular	regular	various
breath	different	forwards	learn	peculiar	reign	weight
breathe	difficult	fruit	length	perhaps	remember	woman
build	disappear	grammar	library	popular	sentence	women
busy	early	group	material	position	separate	
business	earth	guard	medicine	possess	special	
calendar	eight	guide	mention	possession	straight	

Word of the week

For word of the week today, we've given you this week's word. DON'T look it up yet but have a guess at what it means. You can write your guess on the slide!

radiating

Reading

Enjoy 20 minutes of reading, ideally to a grown up.
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

Maths

We've decided to switch it up a bit so we're now going to be using the NCETM's lessons that are available through Youtube. I will write a list of the things you'll need for the activity and you can have a go at watching the lesson and completing the activity.

1. Watch lesson 1 called: Explore the whole & part relationship in familiar contexts, using area, linear & quantity models. Available on <https://www.youtube.com/watch?v=mYtMn2KzMTw&list=PLQqF8sn28L9wBDTntZEccZohH-JPun2eU&index=2&t=0s>

To complete these activities you might want:

Paper and something to write with.

Some household objects for you to sort.

Take a picture of any work you complete to show us!

2. Tune into Gareth Metcalfe's reasoning videos for a daily brain challenge. This will be brilliant at supporting your reasoning and problem solving. <http://www.iseemaths.com/home-lessons/>

3. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!

Science

This week we're going to ask you to complete an activity to grow your own rainbow!

Follow the instructions on the sheet to complete this investigation.

When you are finished can you write up the steps that you did? What was the easiest part, what was the most difficult and why?
