

# Home Learning- Year 4

## 5.5.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

# English

This week, we're going to continue to learn about the story of Romulus and Remus. Read back over pages 1-6 and now move onto pages 7-9. Have a look at the questions and see if you can answer them to really deepen your understanding of the story.

Now you're going to practise using your inverted commas with this text. See if you can be the teacher and mark this piece of text, putting in the correct punctuation where it's needed. If you need a reminder of the rules of inverted commas, have a look at this video to give you a reminder:

<https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/ztcp97h>

See if you can challenge yourself to write your own conversation of at least 10 lines with correct punctuation!

# Spelling list

## Year 3 and 4 Statutory Spellings

Can you choose 2 words from the Year 3 and 4 word mat and practice spelling them. You could write it out 10 times, make it using play dough or other items, write it in lots of different colours. Make sure you know what the word means, put it in a sentence! Show us your neatest handwriting.

## Word of the week

Today you're going to use a dictionary or Google (with an adult) the definition of radiating. Can you tell us the definition in your own words? Put it into your own sentence!

*radiating*

# Reading

---

Enjoy 20 minutes of reading, ideally to a grown up.  
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

# Maths

1. Watch lesson 2 called: Explore the whole & part relationship and generalise that a part is always smaller than the whole. Available on

<https://www.youtube.com/watch?v=TrpfoF4-zwU&list=PLQqF8sn28L9wBDTntZEccZohH-JPun2eU&index=2>

To complete these activities you might want:

Paper and something to write with.

Access to Google Earth or an atlas

Take a picture of any work you complete to show us!

2. Tune into Gareth Metcalfe's reasoning videos for a daily brain challenge. This will be brilliant at supporting your reasoning and problem solving. <http://www.iseemaths.com/home-lessons/>

3. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!

# History

Today we will continue to look at the spread of the Roman empire.

Your activity today is to look through the slides and create a poster or timeline showing the spread of the Roman empire from 800 BC to AD 305. We are looking for you to show us a good Chronological understanding of how the Roman Empire spread.

Try to present your poster or timeline carefully, with clear headings and a good use of colour and pictures. You may like to draw pictures or print them off.

You can use the activity sheets attached (try to use the two or three star option), Roman Empire Maps and maps or atlases to help you.

2 star challenge- The activity sheet provides space for you to record key facts, helping you to organise your work.

3 star challenge- Some ideas to help you collect the information yourself and decide how best to present it.

**REMEMBER:** make it neatly presented, colourful and clear so it stands out.
