

Home Learning- Year 4

6.5.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

English

This week, we're going to continue to learn about the story of Romulus and Remus. Read back over pages 1-6 and now move onto pages 7-9. Have a look at the questions and see if you can answer them to really deepen your understanding of the story.

Today you're going to use some creativity to describe this setting. Have a look at the checklist and write a paragraph describing the palace. Imagine you were going to add it to the book, what would you want the reader to know? Go into as much detail as possible.

Art

We are continuing our work on Roman mosaics.

Today, we would like you to read the information and tell us 5 more of your own facts about Roman mosaics.

Then, we would love you to create your own mosaic pattern or picture. You could cut out some collage materials, maybe use materials around the house or even use stones or objects in the garden. Let's see how creative you can be. Send us a picture if you can.
