## 1.5.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

# English

Today you're going to do lots of research about how the Roman empire was formed. Have a read through of the first 6 pages of Romulus and Remus to remind yourself of the story.

You could use non-fiction books or the internet (remember how to safely browse the internet), Make a bullet pointed list of all of the facts you've learned!

Have a look on these websites for some ideas:

[https://www.ducksters.com/history/ancient\\_rome/early\\_history\\_of\\_rome.php](https://www.ducksters.com/history/ancient_rome/early_history_of_rome.php)

<http://www.primaryhomeworkhelp.co.uk/Romans.html#1>

For an extra challenge can you compare the facts you've learned to what you've read so far in the story? What is similar? What is different?

# Reading

---

Enjoy 20 minutes of reading, ideally to a grown up.  
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

# Maths

Good morning Year 4!

1. Use <https://whiterosemaths.com/homelearning/year-4/> to look at Summer Term Week 2 Lesson 5–Maths Challenge. Watch the video and then complete the worksheet. I have attached an editable version for you to submit or you can do it on paper and submit a picture. Make sure you use the answers on the website to mark your work before you submit it. You can show me that you've edited an answer by putting it in green. This should take you 30-45 minutes.
2. Tune into Gareth Metcalfe's reasoning videos for a daily brain challenge. This will be brilliant at supporting your reasoning and problem solving. <http://www.iseemaths.com/home-lessons/>
3. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!

# RE

We are learning about the Pope as he is the bishop of Rome and the leader of the Catholic church.

The current pope is called Pope Francis, but today's lesson is looking at the history of the Pope.

Work through the slides, your activity is at the end.
