

Friday 27th March 2020

Good Morning Year 5

Today

Today you should complete the suggested tasks from the timetable.
Don't forget to do a daily reading and GPS task - as per your timetable.

During the maths learning time, you should choose to complete an arithmetic paper or the third lesson of fractions (3. Ordering Fractions).

During the English learning time, complete the third lesson of persuasive writing (3. Write a concise introduction for a persuasive letter about the rainforest).

In the afternoon, please complete the PSHE lesson - Friendships.

PE: complete one of the suggested PE activities under the PE topic heading.

Thanks

Miss Lander and Mrs Sharp

Daily Timetable:

Suggested Timings	Topic	Task
20 minutes	Maths	TTRockstars
20 minutes		White Rose Maths
40 minutes		Additional maths learning (arithmetic papers, reasoning papers or fractions tasks)
BREAK - 20 minutes		
30 minutes	English	GPS paper or spellings practice
30 minutes		Reading for pleasure or reading comprehension
40 minutes		Pobble tasks or persuasive writing tasks
Lunch - 1 hour		
1 hour	Wider Work	Choose between Computing, Geography, Science, Burnet News, Art, PSHE, RE or PE
1 hour	Creative Learning Opportunities	Ideas are available on Google Classroom and Home Learning Document

The tasks can be done in any order during the day and timings may vary and don't worry if you can't get everything done. We know you are trying your best.

Maths

1. TT Rockstars
2. White Rose Maths
3. Either complete the task on the next slide or an arithmetic paper which you'll find on the website or in Google Classroom <https://classroom.google.com/w/NjI4NDkyODk0ODBa/t/all>

3. Ordering Fractions

Choose 2 random fractions (with different denominators) and determine which is bigger. Use your equivalent fractions knowledge to help you and include a diagram or explanation to support your answer.

Challenge: Use 3 or 4 fractions to order using the same method.

You may use Google Docs to present your answers

Reading

Read for pleasure using a book or ebook you have access to.

OR

Read the text about Earthquakes and answer the questions. You can find the text on Google Classroom or the website.

<https://classroom.google.com/w/NjI4NDkyODk0ODBa/t/all>

3. Write a concise introduction for a persuasive letter about the rainforest

The word concise means writing something straight to the point; in as few words as possible.

Here is an example:

I am writing to you to explain the damage that we are doing to our rainforest. Every day, thousands of trees in the rainforests are being cut down to help us make our products - such as Iphone and Ipads. We need to do something about this urgently, or one day there will be no rainforest left! Rainforests are key to combating climate change. Yet, every day, they're being destroyed by rampant deforestation—and the wildlife who depend on them are being driven to extinction. You can help us fight back with a little green frog!

Success criteria for writing a concise paragraph:

1. Explain why you are writing the letter (I am writing to you to explain the damage that we are doing to our rainforest.)
2. Give basic reasons - remember just be brief as you will explain further in the letter (Every day, thousands of trees in the rainforests are being cut down to help us make our products - such as Iphone and Ipads).
3. Use emotive language and 'talk directly to the person reading the letter (Yet, every day, they're being destroyed by rampant deforestation—and the wildlife who depend on them are being driven to extinction. You can help us fight back with a little green frog!)

Write your own introduction based on what you have found out about companies like Cadbury's, their use of palm oil and its effect on the rainforest.

PSHE

Use Google Docs, Slides or another computer software to share your understanding of improving friendships.

You can include:

*What makes a good friend?

*Why should you be a good friend?

*What should you do in a situation?

*How can we encourage others to be good friends?
