Selecting and Formatting

Select any words in each sentence and edit them using:

1. I really like chocolate ice cream.
2. I saw a huge giant.
3. My brother has a goldfish and a dog.

Challenge:

Think about which words you could format for this poster. I have also forgotten to include the capital letters so use your skills for last week to edit the sentences too.

missing

ted is missing. he has brown fur and fluffy paws. he was last seen at
the park.

if you find him call 01234 567890
