

Maths

Multiplication section 3

Lesson 2. Introduction to the terms factor and product

KS1
Multiplication 3
Lesson 2

Today you will need:

- Some paper
- A pencil
- Scissors

Practise Activity

| | | | | |
|----|---|---|---|---|
| 10 | | | | |
| 2 | 2 | 2 | 2 | 2 |

Use your strips of paper to create some bar models using groups of 2.

Remember the whole amount, the product, needs to be the same size because they are equivalent.

Challenge!

Can you make your own bar models?

Try writing the equation to go with your bar model and explain them to someone.

Remember to use the language of **product** and **factor**.
