

Maths

Multiplication section 3

Lesson 7. Finding missing factors and products,
using knowledge of the two times table

KS1
Multiplication 3
Lesson 7

In today's quiz you will be solving lots of word problems.

You may want a pen and some paper to help you draw pictures in order to solve them.

Practise Activity

Number of groups of twos	The product
1	2
2	4
3	6
4	8
5	10
6	12
7	14
8	16
9	18
10	20
11	22
12	24

Use your ratio chart from the previous learning.

Draw a picture for each multiplication fact and say each fact when you have drawn it.
