Multiplication section 2

4. Consider the nature of 'equal groups' in more detail

KS1
Multiplication 2
Lesson 4

You might want to use some resources such as plates and pasta to help you practically with today's lesson.

Practise Activity

There are equal groups of cubes.

There are cubes in each group

There are groups of

You need six objects that are the same although they don't need to be identical. Find all the different ways that you can arrange them into equal groups.
