What are the 4 types of sentences we have looked at this week?

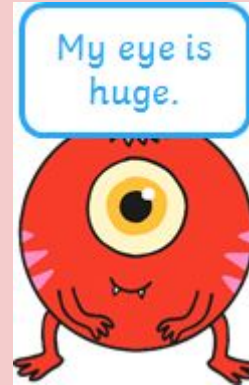

Statement

Question

Command

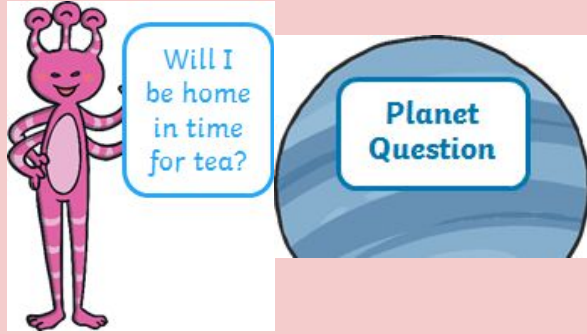

Question

Match the alien with their planet. Read their explanation and match it with the correct sentence type.

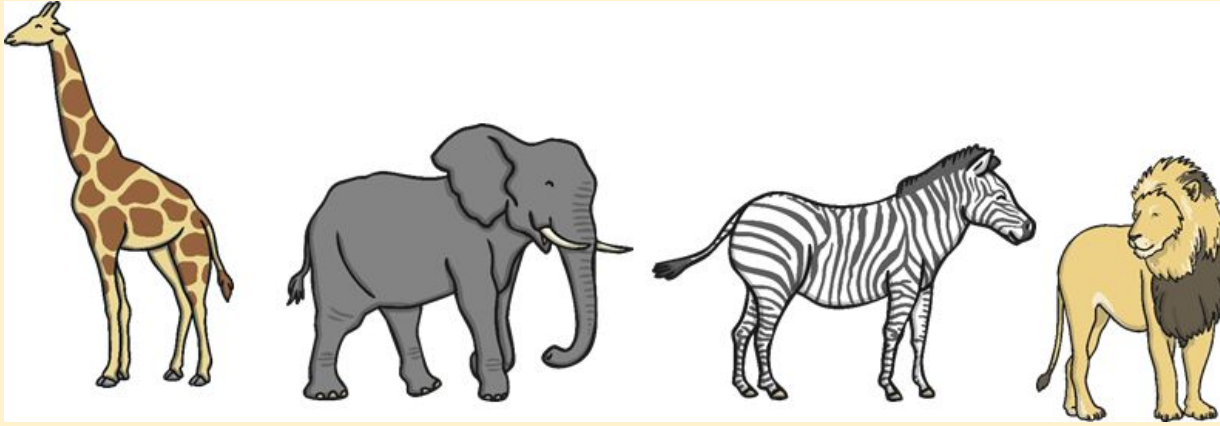

Answers:

Match the alien with their planet. Read their explanation and match it with the correct sentence type.

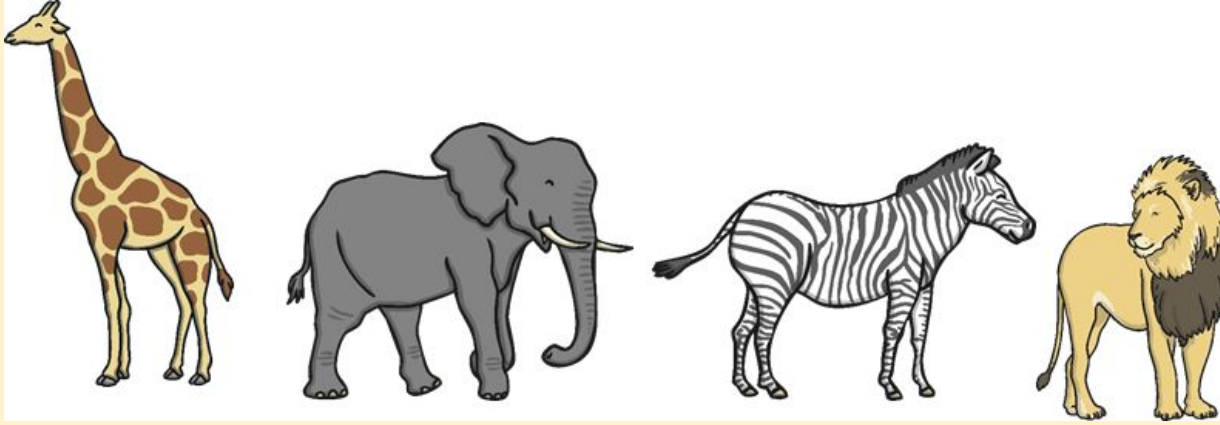

Can you write some statements that describe these animals?

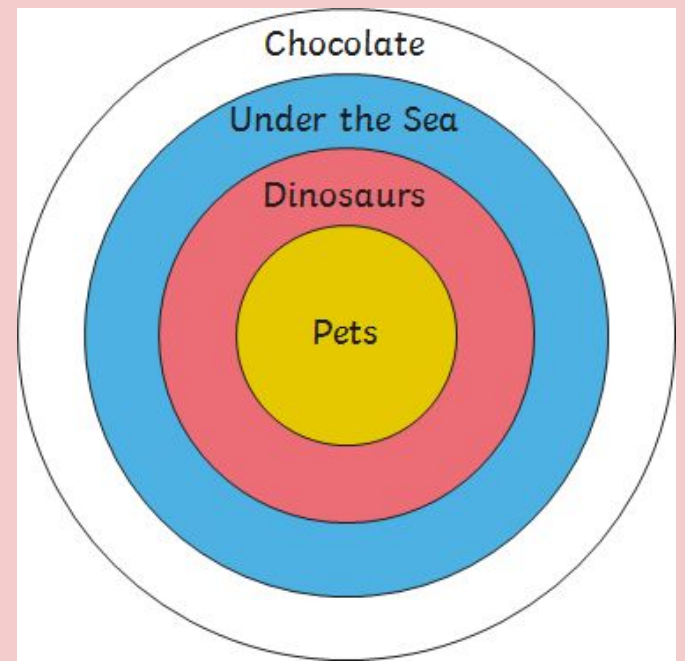

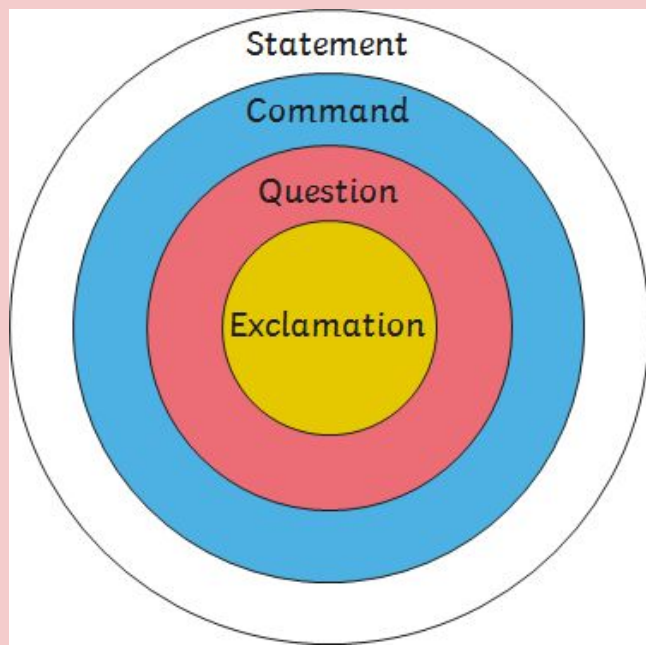

A large, empty rectangular box with a black border, intended for writing descriptive statements about the animals shown above.

Can you write some exclamations about these animals?

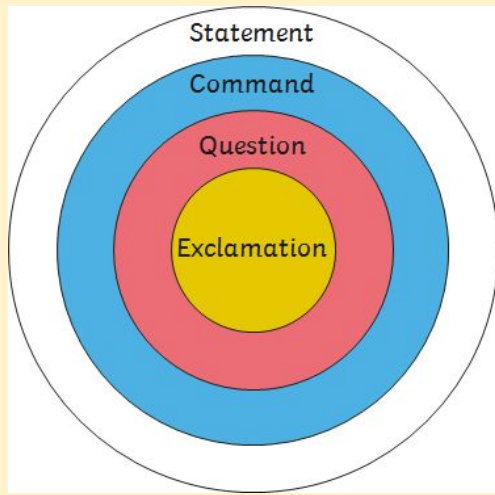

A large, empty rectangular box with a black border, intended for writing exclamations about the animals shown above.

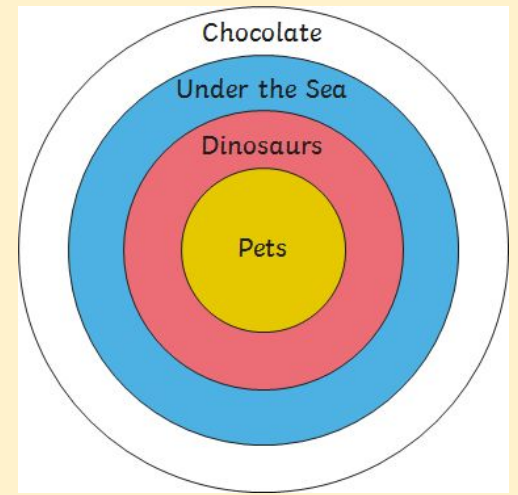

Pick a type of sentence and topic then write your sentence.

***Examples: I have picked command and pets.
Go and eat your dinner.***

***I have picked question and dinosaurs.
Are you a carnivore or herbivore?***

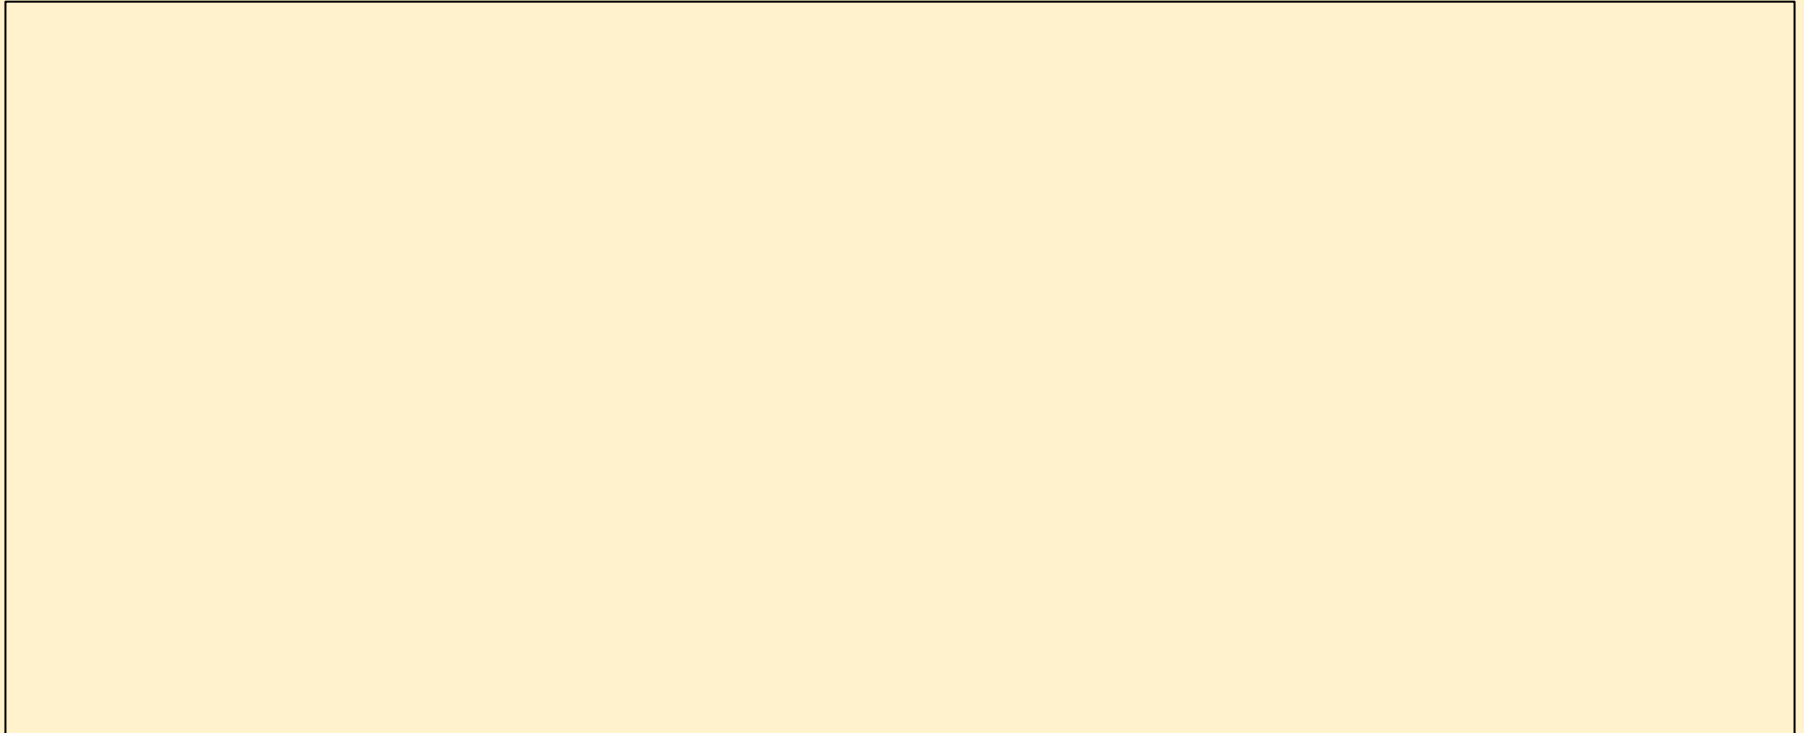

Your task:

A large empty rectangular box with a black border, intended for the user to complete the task.

Optional task: Draw your own picture and write a range of sentences about it (question, command, exclamation and statement).

SPaG
