

Maths

17. Further practice buying items with different value coins

KS1
Multiplication
Lesson 17

For this lesson you
may wish to use your
tokens and coins.

Practise Activity

How many coins of the same type do you need to buy each toy?

Looking at the amount it costs can help you pick a coin type.

The amount for each toy can be made in different ways. Which way uses the fewest coins for each toy? I wonder why that is...
