Whyteleaf Primary School

Aim High – Be independent – Enjoy Yourself

Science Club – Year 2

I am going to run an after school Science Club for Year 2 alongside the Science Leaders. The children will take part in a range of exciting experiments, covering different aspects of science. Some of the experiments include making rockets, fingerprints and making lava lamps.

Science club will be on **Tuesdays from 3pm-4pm**. Children will be collected from the Church Road gate. If your child is interested in the club, please return the slip below to Miss Alphonso by **Friday 10th January**. There are limited places and names will be selected at random from a hat. After the deadline, children will be notified if they have been given a place in Science Club.

Many thanks,

Miss Alphonso

Name: _____

I have ensured that my child understands that it is important for his/her safety and for the safety of the group that any rules and any instructions given by the Miss Alphonso or the Science Leaders are obeyed.
