LO: To use knowledge of different religions to make a mind map.

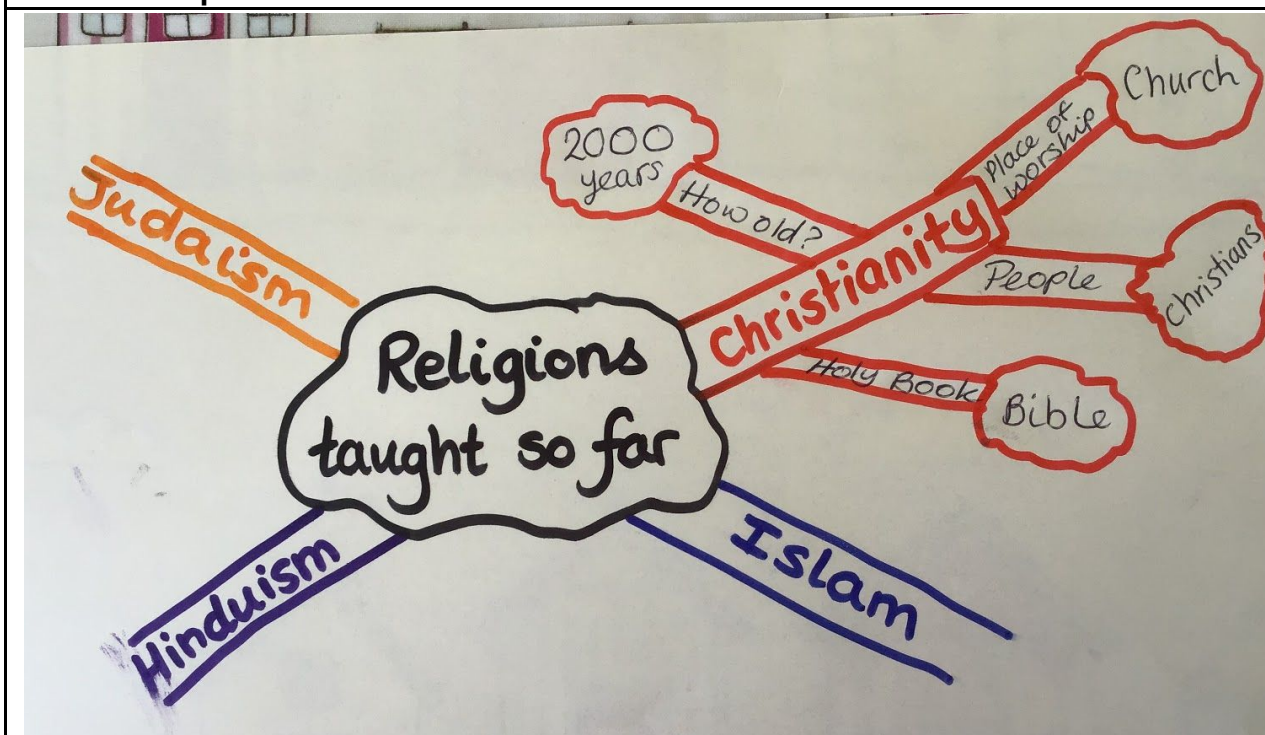

How did you get on with these activities?

How I did:

Look at the picture below

Up to Year 3 you have learned about the religions named in the mind map above. When learning about Christianity we completed these 'branches' as a class, so I've written those for you.

Try making your own version of the mind map on paper, and complete the 'branches' for the other religions. You can use online searching to find the answers, but please ensure you stay safe and have an adult check which sites you are using. BBC Bitesize has this information.

If you could upload a photo of this work it would be great!  
(1 mark per 'branch'= 12 marks)

**Optional Dive Deeper Challenge: ( up to 4 extra marks)**

If you know about another religion please add it to your mind map  
Which religion did you choose to write about?
