

Home Learning- Year 4

10.6.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

English

Today you are going to come up with your character names for the goodies and baddies in your story! Characters' names in stories are often very important as they give you a hint of their personality.

Start by thinking about the characters in Mission Possible. What do their names tell you about these characters, could you use some adjectives or similes to describe them.

Then, read the description and have a go at answering the questions.

You're then going to use what you've learned about how characters' names influence their personality to create your own characters. Come up with at least 5 'goodies' and 'baddies' names.

3. Spend 15 minutes on TT rockstars or Numbots to get your speed and scores up!

Art

This week's activity is design, plan and make a 3D model showing a cross section of a Roman road.

Look at the slides to remind yourself of the function of the road and then follow the instructions on the final slide.

You can show us any planning you create before making your model.
