

Home Learning- Year 4

22.5.2020

All of these activities mirror the learning assignments set on Google Classroom. If you are having issues using Google Classroom please look on the school website for helpsheets. Available on Google Classroom are editable worksheets for the children to use which will be sent directly back to us however, it is also fine to do any tasks on paper at home.

English

Today you are going to think about your favourite part of the story. Why is it your favourite part?

You're going to use this part to create your own front cover of Romulus and Remus. Draw your favourite part and write the title of the book. Make it as colourful and exciting as possible!

Spelling list

Please write the words you have been learning last week and this week (without peeking!) or as an adult to test you. Send us your score. Good luck!

Reading

Enjoy 20 minutes of reading, ideally to a grown up.
Discuss the book together.

Can you tell us about your book on the reading record sheet? Remember to use capital letters and punctuation.

Maths

1. Watch lesson 3 called: Begin to use and understand the terms 'numerator' and 'denominator'.

To complete these activities you might want:

Paper and something to write with.

Take a picture of any work you complete to show us! At the end, go onto the quiz and click on the next button 3 times at the bottom of the page, this will give you the quiz for today's lesson. Give it your best try and don't worry if you don't get things right

2. Tune into Gareth Metcalfe's reasoning videos for a daily brain challenge. This will be brilliant at supporting your reasoning and problem solving. <http://www.iseemaths.com/home-lessons/>

PSHE

This week we'd like you to think about the people and animals that are special to you. You're going to show your love and appreciation for them by making a collage.

Have a look at the questions on the sheet and see if you can answer them in your head. You can then use these ideas to inspire your collage.

We can't wait to see what you make!
