

# Leavers 2020 Friendship Poems

Tuesday 30th June

We are approaching the summer holidays, which for Year 6, marks the end of their time at Whyteleafe School.

We are looking to mark the occasion in a joyous, reflective way which you can look back in the future on with fond memories.

# Leavers Assembly

We are working on creating the annual Leavers Assembly, although it won't be in a conventional way.

One of the areas we will celebrate is 'friendships' as many of you have created life-long friends at Whyteleaf.

# Example: Friendship Haiku

Friends are for your life

Friends are the best company

Create memories

# Task: Create a poem to celebrate friendship.

In your preferred poem style, create a poem celebrating friendship. A select number will be read in our Leavers Assembly.

# Possible styles:

- Haiku
- Acrostic
