

# Lesson 10: Finding an unknown addend when the sum is changed

For this lesson you will need a piece of paper, pencil and a ruler.

A title card for a lesson. It features a light blue background with a large white circle in the center. In the top left corner, there is a small logo consisting of three overlapping circles. The text is arranged as follows: 'Upper KS2' in a medium blue font, 'Number, Addition and Subtraction' in a larger, bold, medium blue font, and 'Lesson 10' in the largest, bold, dark blue font. To the right of the text is a diagram of a triangle with a vertical line segment inside it, forming a smaller triangle on the left and a quadrilateral on the right. The quadrilateral is divided into three horizontal sections. The top section is a square, and the bottom two sections are rectangles. The entire diagram is filled with a light blue color.

Upper KS2  
Number, Addition  
and Subtraction  
**Lesson 10**

Keep the notes that you make in the lesson today. Tomorrow you will review them before beginning your new learning.

# Quiz

Open the quiz on Google Classroom and complete the questions for lesson 10.
