

Lesson 1: Adjust addends, to make a calculation easier, keeping the sum the same

For this lesson you will need a piece of paper, pencil and a ruler.

The image shows a title card for a lesson. It features a light blue background with a dark blue header and footer. In the top left corner, there is a logo consisting of three overlapping circles in shades of blue. The text on the card reads: "Upper KS2 Number, Addition and Subtraction Lesson 1". To the right of the text is a diagram of a tree structure with three circles. The top circle contains five small blue squares, and two lines connect it to two empty circles below it.

Keep the notes that you make in the lesson today. Tomorrow you will review them before beginning your new learning.

Quiz

Open the quiz on Google Classroom and complete the questions for lesson 1.
