

# Lesson 6: Balancing equations noticing that the order of the addends is not important

For this lesson you will need a piece of paper, pencil and a ruler.

Upper KS2  
Number, Addition  
and Subtraction

Lesson 6

Dad + Cat = Daughter + Dog

The image shows a title card for a lesson. It features a light blue background with a large, faint number '6' in the background. On the right side, there is a simple diagram of a balance scale with a horizontal beam and a triangular fulcrum. The equation 'Dad + Cat = Daughter + Dog' is written across the beam. The text 'Upper KS2 Number, Addition and Subtraction' and 'Lesson 6' is displayed in a bold, blue font on the left side. The top and bottom of the card are framed by black bars.

Keep the notes that you make in the lesson today. Tomorrow you will review them before beginning your new learning.

# Quiz

Open the quiz on Google Classroom and complete the questions for lesson 6.
