

Whyteleaf School

Equality Policy

Aim High • Be Independent • Enjoy Yourself

Rationale

At Whyteleaf we have a positive approach to ensuring equality, as defined in the Equality Act 2010. Our Equality Policy covers sex, race, disability, religion or belief, sexual orientation, students who are pregnant, undergoing or have under gone gender reassignment. Whyteleaf is a fully inclusive primary school set in Tandridge, Surrey. We have approximately 420 pupils on role and 60 employees.

Equality of opportunity is a fundamental right for all members of the Whyteleaf community. We are committed to developing the potential of all people associated with the school.

The aim of the policy is to ensure that individual diversity is valued and that rights and beliefs are protected, respected and tolerated. In order to guarantee that this occurs, we must make it an integral part of our thoughts, words and deeds. This policy is intended to have a direct and positive impact on the ethos of the school.

The core values of the school are within the schools aims and set out in our *vision* statement:

Aim High • Be Independent • Enjoy Yourself

Through on going education and training the school promotes a culture of respect for all, we promote equality by recognising and celebrating diversity and we create a school community that prepares our children for a life in a diverse society.

Aims

The pupils and staff come from a range of socio -economic backgrounds. Whilst the school is a cohesive community, we recognise the need to actively promote relationships between the various sections of society represented within the school. Where possible the school is adapted to accommodate pupils with additional physical needs; including an aim to make as much of the school accessible to a wheelchair as possible.

We aim to embrace the diversity of the community we serve and as such celebrate all groups represented within it. We will eliminate unlawful discrimination and harassment, promote equality of opportunity, and promote good relations and positive attitudes between all people in the school community and beyond.

Whyteleaf school aims to create a school community which has equality for all at the heart of all we do. We seek to ensure that no pupils, staff, parents, carers, governors or any other person who has contact with the school receives less favourable treatment on any grounds which cannot be shown to be justified.

Each pupil should be held in equal esteem, but individual abilities and experiences should be taken into account. The school aims to provide all pupils with a well-balanced education. Pupils with special educational needs should have equal access to the whole curriculum, though there may need to be greater emphasis on literacy, numeracy or social skills for some pupils.

We promote the principles of fairness and justice for all through the education that we provide in our school. This policy applies to all pupils, staff, parent helpers, visitors or contractors to Whyteleafe School. This policy covers all aspects of school life including student admissions, teaching and learning, behaviour management, staff recruitment and career development, parental involvement and the role of the governing body. All members of the school community must be free from any form of discrimination or harassment.

We constantly strive to remove any forms of indirect discrimination that may form barriers to learning.

We ensure that all recruitment, employment, promotion and training systems are fair to all, and provide opportunities for everyone to achieve.

We challenge stereotyping and prejudice whenever it occurs. Care is taken to ensure that no discriminatory material is used in the School.

We celebrate the cultural diversity of our community and show respect for all minority groups. Materials that celebrate and show different cultures and national origins will be used in all subjects, wherever possible.

We are aware that low self-image and ignorance can cause prejudice and stereotyping. Through positive educational experiences and support for each individual's point of view, we aim to promote positive social attitudes and respect for all. This is a major aspect of the Personal, Health and Social Education schemes of work, but is seen to be the responsibility of all curriculum areas.

We regularly provide professional development in the areas of equality and diversity to staff and ensure they are empowered with the skills and information to address and support equality within the classroom setting.

Specific reference to groups covered within the equality Act 2012:

Race:

Recognising the small level of ethnic diversity within the local community it is an aim of the school to reflect the cultural diversity of the wider community to promote awareness and understanding.

- It is the right of all students to receive the best education the school can provide, with access to all educational activities organised by the School. We do not tolerate any form of behaviour that discriminates on the basis of race, colour and culture. All incidents of a racially motivated nature will be thoroughly investigated and appropriate sanctions applied. All incidents will be recorded through the conduct log. A central log of racially motivated incidents will be maintained by the Head Teacher. Support, respect, sympathy and understanding are shown to the victim. Following investigation and in appropriate circumstances, parents are informed by the senior member of staff if their child is either a perpetrator or victim.
- Where there are reported incidents of this nature appropriate sanctions and support are applied.

Religion or belief:

- It is the right of students, staff, parents, governors and visiting community members to not be treated differently on grounds of their religion or belief.
- Students are encouraged through a comprehensive Religious Education programme to explore a range of religions and to encourage tolerance and acceptance of others who have differing religions or beliefs.

Pregnancy & Maternity:

- Protection for pupils from discrimination or less favourable treatment because of pregnancy is new under the Equality Act 2010. Whyteleafe School will ensure if the situation arises within the school that pupils are given support and the school ensures quality provision is made in this instance.

Sexual Orientation:

- Whyteleafe School operates a PSHE curriculum which supports pupils to address relationships in all forms.
- The bullying incident reporting system includes reporting of homophobic bullying and use of derogatory language and all incidents of this nature are taken seriously and dealt with by the Senior staff. The leadership team is able to identify through this system if homophobic bullying is on the rise and react accordingly.
- The school ensures that all gay, lesbian or bi-sexual pupils, or the children of gay, lesbian or bi-sexual parents are not singled out for different or less favourable treatment from that given to other pupils.

Sex/Gender:

- As a fully inclusive mixed gender school, we ensure that pupils of one sex are not singled out for different or less favourable treatment given to other pupils.
- The school operates a curriculum that allows all pupils to access lessons and every effort is made to combat gender stereotypes with regard to curriculum choices and career opportunities.

Disability:

The Act defines disability as when a person has a 'physical or mental impairment which has substantial and long term adverse effect on that person's ability to carry out normal day to day activities'. Some specified medical conditions, HIV, multiple sclerosis and cancer are all considered as disabilities regardless of their effect.

The Act sets out details of matters that may be relevant when determining whether a person meets the definition of disability. Long term is defined as lasting, or likely to last, for at least 12 months.

- The school will does not treat a disabled pupil less favourably simply because that pupil is disabled.
- The school will provide an auxiliary aid or service for a disabled pupil when it is reasonable to do so and if the aid would alleviate substantial disadvantage that the pupil faces compared to non-disabled pupils.
- At Whyteleafe School we will ensure that disabled pupils can play as full a part as possible in school life and will make the reasonable adjustments to support this.
- The school is committed to the equality of opportunity between disabled and able bodied people.
- We will eliminate discrimination that is unlawful as well as any harassment of disabled people that is related to their disability.
